

OSFOA-W

Offset Adapter Accessory for HB011 Occupancy Sensors, 3 Position, White

Offset adapter for high-bay infrared, fixture mounted.

To improve the field-of-view for deep body fixtures, a separate offset adapter accessory (OSFOA-00W) can be used to position the sensor below the fixture body. The adapter simply snaps into a 1/2-inch knockout on the end of the industrial fixture to attach the sensor.
