

Skylark Contour™ Incandescent

Captive knob slide dimmer with an easy to use rocker switch.

Product Family Features

- On / off rocker switch with a captive linear-slide dimmer for a standard designer wallplate opening
- Switch returns light to previous level
- Uses standard single-pole and 3-way wiring for easy installation in any home
- eco-dim® model guarantees at least 15% energy savings and 3x bulb life compared to a standard switch
- eco-minder® model features an LED that turns from red to green when 15% energy savings is achieved. LED brightens as you dim further and more energy is saved
- C•L™ model provides reliable dimming performance for dimmable CFL and LED bulbs (Please see separate C•L Specification Submittal)
- 100% factory tested
- Coordinating Claro® and Stainless Steel wallplates available separately
- Available in all Claro gloss colors

* Faceplate sold separately
