

## LED INTERIOR LIGHTING

# SNAP & GO™ MODULES

LED Snap & Go™ Magnetic Module Kits are simple and quick LED retrofits for traditional fluorescent fixtures and recessed troffers in drop-in ceilings. The kit can be easily installed with minimum modification to the existing housing, avoiding the removal of existing fixtures.

**Application:** Ideal for retrofitting existing fluorescent fixtures and recessed troffers in warehouses, schools, retail stores, workshops, large areas, and work spaces.

## FEATURES

- **Fast and easy installation** - Installs in minutes with quick connections.
- **Minimal modification to existing housing** - Magnetic mounting.
- **Bright and consistent light**
- **Energy efficient**
- **Mercury Free** - Environmentally friendly.

**SPEC-SELECT™**

**DIMMABLE**

**NON-DIMMABLE**

*Note: Warranty and Qualifications can vary per item, see technical data sheets (TDS) for specific information. • Not all product variations listed are DLC® qualified. Visit [www.designlights.org/search](http://www.designlights.org/search) to confirm qualification. • Published lumens on LED products are approximate and may vary slightly. • Specifications are subject to change without notice. • Photos and drawings may not be to scale and are for general reference only.*
